

**American Association of Colleges of Pharmacy  
Global Pharmacy Education SIG  
Communications Committee Report  
Global SIG Business Meeting  
Monday July 11, 2011 5:15 PM – 6:15 PM**

Committee Members: Christine Birnie, Chad Coulter, Greg Zuest (Chair)

The Communications Committee met via conference call and discussed means to increase and improve communication within the SIG.

A number of types of communication, collaboration, and information sharing tools were discussed. Examples of these included the possible development of a SIG Facebook page, the development of several websites containing information pertinent to SIG members, and development of an electronic information repository in which SIG members can share information.

The AACP is currently updating its website and will be enhancing its functionality shortly.

Once the new website functionality is known, the Communications Committee will share with the SIG Executive Committee the tools they feel are most appropriate to meet the needs and desires of the SIG membership.

Respectfully submitted,

---

Greg Zuest, Chair of the Communications Committee
