

AACP Committee Time Commitments

Standing committees meet once in October in the Washington DC area and conduct the rest of their work via e-mail or conference call. Travel expenses are reimbursed by AACP.

AACP Standing Committees are:

- Academic Affairs
- Advocacy
- Professional Affairs
- Research and Graduate Affairs

Award committees receive award materials in mid-December to review for a mid or late January conference call. They do not meet in person.

AACP Award committees are:

- Dawson Biotechnology Award
- Chalmers Distinguished Educator Award
- Lyman Award
- Volwiler Award

All other committees and advisory panels vary and are listed below:

- Finance Committee - work conducted via email and conference calls
- Institutional Research & Assessment - work conducted via one to two in person meetings, e-mail, and conference calls
- Bylaws and Policy Development - work conducted via one in person meeting, e-mail, and conference calls
- AJPE Editorial Board - work conducted via email and conference calls
- Nominating - work conducted via email and conference calls
- PharmCAS Advisory - work conducted via one in person meeting at the Annual Meeting, e-mail, and conference calls
- PCAT Advisory - work conducted via two in person meeting (in the spring and at the AACP Annual Meeting), e-mail, and conference calls
