3. Develop a mid-year and annual report for inclusion in the section business meetings at the 2008 ASHP Mid-year Meeting and the 2009 AACP annual meeting.

Report

- A list had previously been developed of the award recipients since 1985. This list was updated to include the award recipients from 2007-9 (see attached file). Additionally, the Section information of some of the recipients that were previously listed as “Unknown” was updated by using information from the AACP Roster of Faculty and Professional Staff.
- The committee solicited nominations for the awards by sending an e-mail to the Pharmacy Practice listserv and contacting a few members of the section. No responses were received. The committee resubmitted last year’s nominee for the Volwiler. The committee also submitted a total of five papers for nomination for the Lyman award.
- A brief mid-year report was submitted for presentation at the ASHP Midyear Meeting.
