

AACP PHARMACY PRACTICE SECTION AWARDS COMMITTEE

Final Report, June 2007

Members: Mary Andritz (Butler), Shane Scott (Midwestern), Renee Bellanger (University of the Incarnate Word), Jeffery Evans (ULM, Chair)

Charge 1: Review the past AACP award recipients and develop a list of section members who have received these awards

The committee created and reviewed an MS Excel spreadsheet (see attached file) that lists section winners for the three major AACP awards for the last twenty years. It was not possible to determine some winners' sections due to them no longer being listed in the AACP directory. In these cases, a Google search was done to determine if they were pharmacy practice or other.

Charge 2: Develop a report with a slate of nominees with preliminary supporting documentation for AACP awards.

The committee solicited nominations for the awards by sending an email to the pharmacy practice list serv and contacting people within the section personally. These requests returned a total of five responses (three for Chalmers, two for Volwiler.) One of the nominations for the Chalmers award did not qualify as they were not a member of AACP at the time of nomination. The committee decided to forward the four names below to the Section Chair as follows for nomination by the committee.

Chalmers

- 1 – Stephanie Gardner – Univ of Arkansas
- 2 – Karen Daniel – Nova

Volwiler

- 1 – James Cloyd – Univ of Minnesota
- 2 – Courtney Fletcher – Univ of Colorado

The committee based its decision on information sent from the nominators and from the various school websites. The committee has not contacted the nominees, however we are willing to develop an award focused dossier with the candidates.

Charge 3: Develop a mid-year and annual report for inclusion in the section business meetings at the 2006 ASHP Mid-year Meeting and the 2007 AACP annual meeting.

A mid-year report was not provided as no members of the committee were present at the 2006 ASHP Mid-year Meeting.

This document is the annual report for the 2006 – 2007 Section of Pharmacy Practice Section Awards Committee.

Below is a listing of all winners of the three AACP awards that were requested from the committee. In addition, the Lyman award winners are in the list.
