

AACP Section of Teachers of Pharmacy Practice

Proposed Change to Standing Rules of Procedures

November 21, 2011

Purpose of Proposed Change

The purpose of this change is to make the Task Force on Strategic Planning and Bylaws a standing committee of the Section.

Proposed Change

Add to section 3.6, Standing Committees, of the Pharmacy Practice Section Standing Rules of Procedure the following wording:

G. Strategic Planning and Bylaws Committee

The committee will be composed of a minimum of 5 appointed members with two-year terms, ideally staggered so no more than 3 members are appointed by the Section Chair each year. The Section Chair shall appoint the committee chair from the appointees. This committee will be responsible for regularly reviewing, monitoring, adjusting, and revising the strategic plan for the section. The committee will also review the Standing Rules of Procedures for the section, and recommend changes to the procedures to the entire section for a vote. Charges from the Section Chair to the committee will be directed toward implementation and adjustment of the strategic plan for the section, and adjustment of the Standing Rules of Procedures to ensure efficient and effective operation of the section.
