

TO: COD Members

FROM: J. Chris Bradberry
Dave Forbes

SUBJECT: COD Connection for AACP COD Members

Welcome back. This issue will serve as a brief reminder of our 2011 Annual Meeting this July in San Antonio. I hope all of our members are planning on attending. It is not too late to register if you have not done so already. Remember the dates July 9-13 and the annual meeting website is www.aacp.org/annualmeeting11.

Certainly of interest to COD members will be programming providing additional insights into *Accountable Care Organizations* and *patient centered health homes*. These are follow-on discussions to our similar sessions held at our Interim Meeting a few months ago.

For those members who may be relatively new to the Annual Meeting, we suggest that in addition to the excellent regular programming, special sessions and the general sessions, our members will benefit from attending the following sessions:

- COD Business Meeting- Monday July 11, 1:30 p.m.-3:15 p.m. Please click on the following link for our COD Business Meeting Agenda
- COD Special Session- Monday July 11, 3:30 p.m.-5:00 p.m. immediately following the COD Business Meeting
- Open Hearing Bylaws and Policy Development Committee- this is a great open forum for deans to hear and discuss important policy issues of the Association

Resolutions- as a reminder, if there are any resolutions for the COD Business Meeting please forward to Dave Forbes (email address below).

For those of you who may have an interest in utilizing electronic news distribution (social media, etc) we at Creighton have been recently publishing our Dean's Alumni Newsletter (eNews) via You Tube. To see our e-message via You tube click on [Enewsletter](#) (Alumni website) and then click the YouTube video greeting, using the link under my picture on the left. Enjoy!
See you in San Antonio!

Till next time---
