
The AACP COD nominations committee met via email and phone conference to determine the slate of candidates for the three positions that will be elected in 2008. These positions include Chair-elect of the COD, Secretary, and Administrative Board Representative. The Committee included John Vandel (University Wyoming), Ralph Altieri (University of Colorado), Mary Andritz (Butler University) and Chair, Patricia Chase (West Virginia University). The results of their deliberations will be included in the Committee's report that will be given at the AACP Annual Meeting. The nominees will be introduced at the COD Business meeting. The winners will be sworn in to their respective offices during the 2009 AACP Annual Meeting.

This was an extremely difficult task as the Committee received a tremendous response from COD members. Each of the candidates brought extensive experience and commitment to AACP.

The Committee considered geographical representation and ensuring a balance between public/private schools' representation. The response rate is listed in the table below:

Office	# of candidates considered
Chair-elect	4
Secretary	6
