

Final Report of the Nominations Committee
American Association of Colleges of Pharmacy
Council of Faculties

Members:

Gayle Brazeau (Buffalo)
Brian Crabtree, Chair (Mississippi)
Michelle Kalis (MCPHS)
Kem Krueger (Wyoming)

Charge: Provide a slate of candidates for Chair-elect.

The committee completed its charge of recruiting and selecting candidates for Chair-elect of the Council of Faculties. We distributed the call for nominations as widely as possible through use of the COF listserv, the AACP E-Lert Newsletter, by contacting the leadership of all sections and SIGs for distribution within their respective units, and reaching out to colleagues informally. After a thorough review and vetting process of an excellent field of candidates, the following individuals have been slated:

Virginia (Ginger) G. Scott (West Virginia)
Robert P. Soltis (Drake)

Nominations Committee members and AACP staff liaison Cecilia Plaza are warmly thanked for their efforts in completing our charge.

Respectfully submitted,

Brian Crabtree
Chair
