Journals

Arrebola-Pascual I, García-López JA. Presence of pharmacoepidemiology in three bibliographic databases: Medline, IPA and SCI. Pharmacoepidemiol Drug Saf. 2002 Sep;11(6):499-502. (From this study we chose to list only those journals with percentages of original articles per journal 10% or higher.)

Sanz EJ. Pharmacoepidemiology and the "impact factor". Eur J Clin Pharmacol. 2005 Jan;60(11):765-72. Epub 2004 Dec 3. (From this study we chose to list the two journals with percentages of articles per journal 10% or higher.)

*Doody’s Review Service reviews books using clinicians with academic affiliations. The ratings cover 16 different elements including authority of the author.

Acknowledgements:

We acknowledge all faculty, students and practitioners who contributed to Dalhousie University’s Drug Information Resources website, Karen Rascati and James Wilson. We would like to acknowledge Jocelyn LeClerc and Ethel Langille Ingram for their assistance with document preparation.
