

11th Annual NC Anti-Infective Workshop Postevaluation and Outcomes Survey

[Exit this survey](#)

1. Introduction

Greensboro AHEC would like to thank you for attending the 11th Annual NC Anti-Infective Workshop that was held November 6 and 7, 2009. We are in the process of planning the upcoming 12th Annual NC Anti-Infective Workshop and would like to get your input in the planning. Please complete by March 1, 2010. Thank you for completing the survey. Hope to see you at the next workshop.

Dawn Pettus, PharmD
Assistant Director of Pharmacy Education
Greensboro AHEC

| Ventilator acquired pneumonia | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Community acquired pneumonia | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Hospital acquired pneumonia | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Resistance Considerations | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Antifungal agents | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Microbiology update | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Pediatric ID | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Vaccines | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Bioterrorism | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| HIV | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Other (please specify)

2. What are some of the gaps in practice you would like this program to cover (ie: more than 30% of adults greater than 65 are not immunized against pneumonia or new guideline for Intra-Abdominal Infection released)

3. Many of you indicated you would take home the following points and implement into your practice. Please indicate if you were able to do so.

| | Yes | No | N/A |
|--------------------------|-----|----|-----|
| Develop an antimicrobial | | | |

- | | | | |
|--|-----------------------|-----------------------|-----------------------|
| stewardship program | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Assist in the development of decision support software to track antibiotic use | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Evaluation of extended interval antibiotic administration. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Add ID consults to orders for first doses of anti-infectives on restricted formulary | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Address the impact of the new MIC standards | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Vancomycin dosing nomogram | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Other (please specify) | | | |

4. Did you sign up to attend the dinner session on Friday, November 6, 2009?

- Yes
- No

5. Did you actually attend the dinner meeting?

- Yes
- No (please comment to why you did not attend ie: could not bring a spouse, thought it was not going to be a full meal, burnt out on a full afternoon of talks, or not interested in the topic)

Other (please specify)

6. If you are willing to speak at the 12th Annual Workshop or would like to suggest someone to

speaking, please place the name and contact information for them below.

7. Many pharmaceutical companies prefer to fund educational programs that impact patient outcomes. Please share your data (all will remain anonymous) such as results of a MUE, resident research, etc. This data will be used in the letter of request to demonstrate how this program is affecting patient care. The data will not be shared with any other group or hospital. If you do not have outcomes or do not wish to share, please indicate with n/a.

3rd Annual Moses Cone Heart & Vascular Symposium: Diagnosis & Treatment of PVD Outcomes Survey
