Reforms in Teaching

PBL (problem-based learning)

Bilingual teaching,

Interactive teaching, and

Discussion teaching

 復旦大學 Fudan University
 

New Educational Ideology

General Education

- **'CHIPS' Education**
 - Creative
 - Hands-on
 - Initiative
 - Potential
 - Service

 復旦大學 Fudan University
 

New Educational Ideology 2

3P

Student innovative funds:

- * Year 2 and 3 students participating in the research activities: 3P (project, practice and product)

 復旦大學 Fudan University
 

- * Teaching combining with latest research
- * Prophylaxis would be more popular than treatment
- * International harmony

 復旦大學 Fudan University
 

Internationalized Education

- * Admission more foreign students
- * Students exchange
- * Faculty exchange
- * Sharing curricular

CP

 復旦大學 Fudan University
 

Clinical Pharmacy Education

- * pay more attention
- * related education programs and the structure will be improved.

 復旦大學 Fudan University
 

Licensed Clinical Pharmacists

- * More knowledge in clinical aspects
- * Repeated prescription
