2008

Changes in PharmAdMIT 2008

- There will be 3 major changes in PharmAdMIT 2008:
 1. A new, improved **Custom Export** feature
(allows export of “1 to Many” fields)
 2. Changed **PCAT** system to reflect the different scoring scales
(1992 % scale, and 2003 % scale)
 3. New **Grades** screen detailing the new GPAs delivered by PharmCAS
(Includes “GPA by Year” and “Subject Course” GPAs)

New Custom Export

- The initial screen will be similar to that of the old style export:

PCAT system changes

- PharmAdMIT will support the 2 new scale scores imported from PharmCAS:
 - 1992 % Scale
 - 2003 % Scale
- A new, expanded PCAT screen will display all imported PCAT score fields.

PCAT										TOEFL / TSE							
RC	QA	Ch	Cp	VA% 2003	Bio% 2003	RC% 2003	QA% 2003	Ch% 2003	Cp% 2003	VA% 1992	Bio% 1992	RC% 1992	QA% 1992	Ch% 1992	Cp% 1992	Wrt CS	Wrt PS

- Local Scoring will support using one (or both) scale versions.

PCATP-BIO	Biology Percentile - 1992 scale	<input checked="" type="checkbox"/>			
PCATP-BIO	Biology Percentile - 2003 scale	<input checked="" type="checkbox"/>			

New Grades Screen (GPA tab)

- Displays all of the GPAs provided by PharmCAS by year...

The screenshot shows the 'Grades' tab in the PharmCAS system. It features a navigation bar with tabs: List, General, Personal, Interview, **Tests**, Supplemental, Contact, Fees, Status, Notes, Letters, and Grades. Below the navigation bar are sub-tabs: GPA, Subject Course GPA, Courses, College Summary, and Academic Requirements. The main content area is a table with columns for Year, Sci QP, Sci Hrs, Sci GPA, NSci QP, NSci Hrs, NSci GPA, Mth QP, Mth Hrs, Mth GPA, Tot QP, Tot Hrs, and Tot GPA. The table lists data for years FR, SO, JR, SR, PB, and Z1. To the right of the table is a 'Local GPAs' section with input fields for Hours, GPA, and QPT for GPA 1, GPA 2, and Overall. Below the table is a 'Primary Undergrad' section with fields for College, Degree, Code, Date, and Major, and a 'Highest Level of Education' section with a dropdown menu and a 'Matriculated' checkbox.
