## 2019 New Investigator Award Application

### Title Page

Project Title: (limit to 85 characters including spaces)

Name of Principal Investigator (PI):

PI's Current Position Title:

PI's Institution:

Research Project Period:      Start Date:      End Date:  
(one year or less, to begin no earlier than 02/01/2019 and end no later than 01/31/2020)

Budget Amount Requested: \$

AACP Academic Section (Select ONE only):

Administrative Services

Library and Information Science

Biological Sciences

Pharmaceutics

Chemistry

Pharmacy Practice

Continuing Professional Development

Social and Administrative Science

Experiential Education

Dean's Name:

Dean's E-mail Address:

**Required Signatures:** By signing below, each person indicates that he/she has read and reviewed this proposal. **Scanned original signatures are required; electronic signatures are not accepted.**

Project Title:

Name of Principal Investigator:

Abstract (*Do not exceed the space provided; use a minimum of 11 point font size*):

Specific Aims:

Approach and Methods:

Expected Results:

Significance:

## **2019 New Investigator Award Application**

### **Budget Page**

*Directions: Please list the supplies/materials and the approximate dollar amount by the following categories that are needed to carry out the research project. Do not exceed the space provided.*

Personnel: (student or technical assistant only)

Animals: (number, species, housing cost, etc.)

Drugs/Chemicals:

Other Supplies:

Equipment: (small equipment only, computer/tablet/phone devices are not allowed)

Operations (i.e., computer time, telephone charges, postage):

Travel: (for the purpose of generating research results, not for meeting attendance)

Other (specify):

**TOTAL BUDGET REQUEST: \$**

**2019 New Investigator Award Application**  
**Biographical Sketch Form**

*Do not exceed the space provided; single space, use a minimum of 11 point font size.*

Name of Principal Investigator:

PI's Education:

Dates	University	Degree/Major
-------	------------	--------------

PI's Professional and Teaching Experience: (include postdoctoral experience)

Dates (From-To)	Title/Position	Institution/University
-----------------	----------------	------------------------

PI's Active and Pending Research Support:

*Please supply the following funding information for all currently active or pending research projects in which you are involved as a Principal (PI) or Co-investigator (CI) including intramural grants.*

*With the signature on the Title Page, the applicant certifies that the research proposal in this NIA application has not been submitted to another funding agency unless noted above. If another grant is awarded and accepted, the applicant must decline the NIA.*

PI's Previous Publications Relevant to This Application:

PI's Other Experiences Relevant to This Application:

**Research Narrative Sections to Follow This Page (see application instructions)**

**Introduction (only allowed for resubmission of unfunded proposals):** Limited to one (1) regular 8.5" x 11" page, single spaced, with one inch margins on all sides. Text must not exceed 6 lines per vertical inch and be a minimum of 11 point font size.

**Research Narrative:** Limited to six (6) regular 8.5" x 11" pages, inclusive of figures, tables and references. All pages must be single spaced with one inch margins on all sides. Text must not exceed 6 lines per vertical inch and be a minimum of 11 point font size.

**Narratives that exceed the page limit or use all or part of the Introduction page for any purpose other than to address reviewer comments will not be reviewed.**

**Supporting Documents (if applicable, see application instructions)**

**Animal Research IACUC Approval:** A copy of the submission cover letter or approval letter is required at the time of application.

**Human Subjects Research IRB Approval:** A copy of the submission cover letter or approval letter is required at the time of application.

**Allowable Supporting Documents:** An official appointment letter from the college/school of pharmacy is required for full-time clinical- or research-track faculty. Additional accepted supporting documents include approval letters for the use of hazardous chemicals and biologics as well as supporting letters from a mentor and non-compensated collaborators, if applicable.

**Applications that provide any Research Narrative materials (such as references, figures or tables) as Supporting Documents to off-set the page limit will not be reviewed.**
