

Community Pharmacy Student Scholar Leaders Program

ABOUT THE PROGRAM

The ACT Pharmacy Collaborative is launching the **Community Pharmacy Student Scholar Leaders Program** to give P2–P4 Pharm.D. students the opportunity to:

1. Develop leadership skills,
2. Cultivate a network of colleagues interested in community-based pharmacy practice,
3. Apply important community pharmacy transformation concepts and theories, and
4. Create a practice transformation philosophy and a career development plan to drive community-based pharmacy practice.

A cohort of 50 students from across the country will be selected to complete this program during the 2023–2024 academic year, which will include 4 virtual sessions held once a month (January–April 2024) and an immersive 3-day virtual workshop (May–June 2024). Students who complete this program will receive a pin, a certificate of completion, and be recognized as a leader in community-based pharmacy on the ACT Pharmacy Collaborative website and the websites of national association partners.
