Stay Connected in 2021

An AACP membership opens the door to the Academy, connecting you with colleagues, keeping you up-to-date on issues and opportunities, and supporting you in your career goals.

During an unpredictable year ahead, renew your membership to:

Engage with colleagues in the members-only community, **AACP Connect**, where you can access important resources and participate in active discussions. This past year, more than **3,500** conversations have taken place in AACP Connect!

Learn from and collaborate with your peers facing the same specific needs and challenges through AACP's Special Interest Groups (SIGs) and Sections.

Stay up-to-date on industry trends with our targeted webinar programming. Last year, AACP hosted more than **70** member webinars on a variety of pharmacy education topics.

Access valuable institutional research data, such as the **Profile of Pharmacy Faculty** report.

Save money when you unlock member registration rates to AACP's flagship meetings, including **INclusion 2021**, **Pharmacy Education 2021** and AACP Institutes.

Bolster your career development. Immerse yourself in a year-long leadership experience through the Academic Leadership Fellows Program (ALFP) or become a mentor to student pharmacists with the Walmart Scholars Program.

Apply for research funding via the New Investigator Award, or use one of AACP's grants search directories to view information on NIH and other federal grants.

And much more, at www.aacp.org

Renew your membership and take advantage of all the professional development opportunities AACP has to offer in 2021!
